

Survival Skills:

Practical Behavior Management Strategies for the Classroom

Presenter: Melisa Genaux

- ▶ Monday, September 28, 2009
- ▶ 8:30 a.m. to 3:30 p.m.
- ▶ Sequoia Room,
Tulare County Office of Education
7000 Doe Avenue, Visalia

This workshop will focus on research-based strategies for preventing behavior escalation, increasing rates of student compliance, minimizing classroom disruption, and enhancing reinforcement systems for decreasing severe problem behaviors with all students. Many practical methods for behavior change will be discussed, which may be adapted to any grade level, and which may be implemented *immediately* in classroom settings. Fun and informative, this workshop provides the tools for easy, effective, and legally defensible behavior intervention.

Register Online:

Register for this workshop by logging on to an online event calendar database.

Go to <http://tulare.k12oms.org>

- 1) Locate the workshop on the calendar and click on the name of the event;

Melisa Genaux works with school districts across the country, conducting workshops and providing consultation services and training for teachers, parents, related services staff, and administrators in the areas of behavior management, autism, Asperger Syndrome, and consultation skills for itinerant staff. She served as a program supervisor in special education for many years and has experience in mediation proceedings, due process preparation, and hearing proceedings. She has worked as a Behavior and Autism Specialist with the Jordan and Davis School Districts in Salt Lake City, Utah, and as a consultant for the Utah State Office of Education. She has been featured as a speaker numerous times at the LRP National Institute on Legal Issues of Educating Students with Disabilities.
