

# Strategies for Addressing Challenging Behavior

**PRESENTERS:**

**Behavioral Intervention Specialists,  
The Bright Future Program**

Tulare County Office of Education

- ▶ October 6, 2010
- ▶ 6:00 p.m. to 9:00 p.m.
- ▶ Visalia Bright Start  
3600 W. Mineral King, Suite A, Visalia

Research has established the effectiveness of using a positive behavioral approach to address the challenging behavior of children with autism and other developmental disabilities.

Participants will learn:

- An overview of positive behavioral support process
- A step by step guide for utilizing positive behavioral strategies in the home
- How to generate positive intervention strategies based on the “function” of the child’s behavior
- Specific examples of positive strategies for common challenging behaviors

**Target Audience:** Parents, General & Special Education Teachers, Psychologists, Speech/Language Specialists, Instructional Assistants, Site Administrators

LIMITED TO 20 PARTICIPANTS
