

**TULARE COUNTY/DISTRICT SELPA                      POLICY #                      1004**

**ADMINISTRATION    Adopted:                      3/8/06**  
**FAP/SRP    Revised:                      5/13/2020**

## ***District and SELPA Relationship***

---

The purpose of the policies is to establish clear lines of responsibility for the SELPA, member school districts, and all employees in the operation of the Local Plan for Special Education in Tulare County.

Policies, when adopted by the Tulare County Board of Education, become the official policy for the operation of the Tulare County/District SELPA.

Where conflict is deemed to exist between district and SELPA policy, which could negatively affect the cooperative efforts of the program, such conflict shall be reported to the SELPA Administrator and reviewed by the Directors of Special Education Committee before presentation to the Superintendents Governance Committee for their consideration and recommendation.
