GET INVOLVED, BE INFORMED, MAKE A DIFFERENCE

## 2023-2024

### WHY GET INVOLVED?

- Improve your knowledge of Special Education.
- Meet and share ideas with other parents who have similar interests.
- Be informed about local programs & events created specifically for students and adults with disabilities.
- Provide your input to school professionals and community members who work with people with special needs.

### JOIN US!

The Tulare County SELPA Community Advisory Committee (CAC) is looking for individuals who are interested in working alongside parents, teachers, students, community members, and school professionals to increase awareness of the needs and abilities of special education students. To get involved and make a difference or find out about becoming a member, please join us at our next meeting.
