STUDENT RECORDS

Adopted:

April 2020

Revised:

Foster Family Agencies; Short-term Residential Treatment Program staff, and Caregiver Access to Student Records

A foster family agency with jurisdiction over a currently or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and caregivers who have direct responsibility for the care of a student may access the current or most recent records of grades, transcripts, attendance, discipline, individualized education programs, 504 plans, and online communication on platforms established by schools for students and parents.

A caregiver may access this information regardless of whether the caregiver has been appointed as the student's educational rights holder.
