

More Than Meets The Eye...

You need to read my story
Not just the cover of my book
The story is quite intriguing
Take the time; take a look

My story wasn't expected
A shock to all to be fair
But once you start to read me
Put me down if you dare!

The chapters will make you laugh
Others will make you cry
Keep reading and understanding
It may help you understand why

My story is nowhere near finished
Exciting things are yet to come
With love and acceptance from all
It really could be a lot of fun!!
